NOTES

The local club of the Association for the Study of Negro Life and History is now making a serious study of Negro American History under the direction of Dr. Carter G. Woodson. The work was begun in November and will be completed in February. The phases of history to be considered are: *The Negro in Africa, The Enslavement of the Negro, Patriarchal Slavery in America, Slavery and the Rights of Man, The Reaction against the Negro, Slavery as an Economic Institution, The Free Negro in the United States, The Abolition Movement, The Colonization Project, Slavery and the Constitution, The Negro in the Civil War, The Reconstruction of the Southern States, The Negro in Freedom, The Negro and Social Justice.*

Dodd, Mead and Company will soon publish for Professor Benjamin G. Brawley a work entitled *The Genius of the Negro*. The aim of the book will be to set forth what the Negro has done in literature, art and the like.

Longmans, Green and Company have published *The Education of the African Native*. This will throw light on the much mooted question as to what the Europeans have done to promote the mental development of the native of the dark continent.

In the seventh volume of the *Documentos para la Historia Argentina* are found materials bearing on the *Comercio de Indias, Consualdo, Comercio de Negros y Extranjeros, 1791-1809.*

The June number of the *Political Science Quarterly* contained an article *The Negro Vote in Old New York* by D. R. Fox.
